to EN 927-2 and to the additional requirements of the  
**Catas WKI Premium Coating Systems for exterior wood stable products** technical rules  
**rev. 9 dated 01/12/2020.**

The use of the word PLUS indicates that the certified coating system satisfies the natural weathering test requirements for an exposure time twice as long as that required by EN 927-3 (2 years).  
We are pleased to declare that the production of the above mentioned coating system is supervised by CATAS and WKI and has therefore obtained the certification 02/13.
